SCHOOL ANTHEM

We seek the Sun.

We reach the moon.

We swim the seas and cross the dunes.

We have thy heart,

We have thy soul.

We are determined to reach the goal.

We Patines, We Patines, We are Patines.

Our head held high.

Our feet at ground.

Gonna run this World in a single command,

We bear the torch of Peace

and Harmony for all.

We see no caste, no creed and no religion at all.

We Patines, We Patines, We are Patines.

Mrs. Devshi Kapil
